Report Date: September 2, 2021

Definition of Terms

Number Released: offenders released from confinement between July 1, 2017 - June 30, 2018

Number Returned: all offenders from the releases above who were subsequently returned to inmate status. The report does not distinguish between offenders who violate supervision and those who complete the sentence for which they were released and commit new offenses.

Time Out of Custody: length out of custody refers to the length between release date and the subsequent incarceration
