Inmate at South Mississippi prison dies

JACKSON – An inmate serving 10 years at the South Mississippi Correctional Institution for robbery attempt has died.

William Sharp, 50, was found unresponsive in his cell Saturday at the Greene County prison.

There were no signs of foul play, according to the county coroner. An autopsy will determine the official cause and manner of death.

Sharp, MDOC #04466, was convicted and sentenced Sept. 25, 2018 in Grenada County.
