## **Region 1 Reentry Job Fair Tour Kicks Off**

---

The Mississippi Department of Corrections is partnering with the Mississippi Department of Employment Security and local WIN Job Centers to host a Region I Reentry Job Fair Tour!

This event connects returning citizens with employment opportunities, workforce resources, and supportive services to help them reenter and build long-term careers.

The first two events are this week, with three others to follow in April, May, and June.

"From resume assistance to on-the-spot interviews, participants are empowered to take the next step toward sustainable employment and a brighter future," said Petrice Adams, program team lead for Community Corrections/Central Office.
