Commissioner visits Youth inmates at YOU facility

PEARL – Commissioner Burl Cain visited the Youthful Offender Unit to hear firsthand words of thanks from juveniles for granting them a privilege.

Before listening to some of them read letters to him, Commissioner Cain watched a film with them about the cultural change in the Mississippi State Penitentiary at Parchman, where some of them may be going once they age out of the YOU.

Commissioner Cain encouraged the young individuals to actively participate in their rehabilitation. His message was simple: "Act right and do good."
