## Yazoo regional prison achieves 100% compliance

---

YAZOO CITY – Yazoo County Regional Correctional Facility successfully earned reaccreditation through the American Correctional Association (ACA) during the May 11–13, 2026, audit, achieving an outstanding 100% compliance score on both mandatory and non-mandatory standards for Adult Correctional Institutions.

This accomplishment reflects the facility's continued commitment to public safety, professionalism, and operational excellence under the leadership of Sheriff Jeremy McCoy and Warden Jacqueline Morton. Congratulations to the entire Yazoo County Regional Correctional Facility team on this achievement and continued commitment to excellence in corrections.

"Achieving 100% compliance during an ACA audit is not easy and speaks volumes about the leadership, professionalism, and teamwork at Yazoo County Regional Correctional Facility," said Derrick Chambers, Regional Prisons director for the MDOC. "I am proud of Warden Morton, Sheriff McCoy, and the entire staff for their commitment to maintaining a safe, secure, and professionally operated facility. This accomplishment reflects the hard work being done every day to uphold the mission of public safety and operational excellence across Mississippi corrections."
