

Prison Inmates Face Off on Hard Court

HOLLY SPRINGS – Marshall County Correctional Facility recently played Chickasaw County Regional Correctional Facility in a friendly and competitive basketball game.

Who won?

Marshall County. Well, it wasn't exactly a blowout, but... the score was 74 to 64.

"We are so glad to be able to do things like this for our men who love the sport," said Marshall Interim Supt. Clint Mauney. "Both teams played a great game (on July 17)."
