

Officer Nicholson rises to new rank as sergeant

PEARL – Congratulations to Joshua Nicholson (center) on his recent promotion to Correctional Sergeant at the Central Mississippi Correctional Facility.

"This well-deserved promotion reflects his dedication, hard work, professionalism, and commitment to the Mississippi Department of Corrections," said Deputy Warden Brendan Robinson.

"As Sergeant Nicholson steps into his new role, my advice is simple: Lead by example, stay consistent, hold yourself and others accountable, and never lose sight of the mission. Leadership is not just about having a title; it is about actions and example."
