

Building a future through forklift training

QUITMAN– Quitman Community Work Center recognizes 25 participants who successfully completed Forklift Certification Training on Aug. 25 in partnership with Coahoma Community College.

Congratulations to all 25 participants on this accomplishment!

"Their hard work and commitment are another important step toward building a successful future," said Community Corrections Program Team Lead Petrice Adams. "A special thank you to Coahoma Community College and MDOC Staff who helped make this training possible."
