Deputy Brandon Warden Robinson said of the honorees: "The employees being recognized have demonstrated that excellence is a choice. They have chosen to be dependable, team-oriented, mission-focused, and committed to doing their part, even when the job becomes challenging. Each individual represents a different aspect of what makes a strong correctional team. Whether it is perfect attendance, supporting a fellow staff member, maintaining security, contributing to offender rehabilitation, demonstrating teamwork, or simply being someone others can depend on, these employees have shown through their actions that they are committed to the mission and to the success of Area 1."
