RESPONSE TO QUESTIONS		
#	Question	Answer
1.	Why are they redoing the bids?	Public Procurement Review Board Office of Personal Service Contract Review (PPRB OPSCR) Rules and Regulations require agencies to use a procurement method in the rules and regulations to procure contract workers whose total contract value will exceed \$75,000.00. <i>See Section 7.1.3 Procuring Contract Workers Exceeding \$75,000.00.</i>
2.	I noticed that the new application for polygraph bids requires three references. Is that a requirement for this bid? If so, am I able to use MDOC as one of my references?	Yes, it is a requirement for the bid. MDOC would prefer that you provide references that are outside the MDOC agency.
